(PROJECT NUMBER: 2020-1-ES01-KA204-081996 E10208678)

The first project meeting was supposed to be in Budapest, but because of the Covid-19 situation, it was held on the 13th of November 2020.

Fifteen representatives from seven different organisations introduces themselves and their organisations, and more importantly, they got to know each other. The project director Rosa M. Rodriguez-Izquierdo presented and overview of the project and general responsibilities and tasks for each organisation. We discussed our next steps and agreed on the working plan in order to make the project more efficient.

Even though our first meeting was held online, we enjoyed it. However, we are looking forward to meet in future and to share our progress with you, so stay tuned!
